

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF THE PIPE)
REPLACEMENT PROGRAM RIDER OF) CASE NO.
DELTA NATURAL GAS COMPANY, INC.) 2018-00086

ORDER

On April 2, 2018, Delta Natural Gas Company, Inc. ("Delta") filed an Entry of Appearance of Counsel, as well as a Motion to Utilize Electronic Filing Procedures pursuant to 807 KAR 5:001, Sections 5 and 8.

Pursuant to 807 KAR 5:001, Section 8(1), an applicant is permitted to use electronic filing procedures upon a timely election, and Section 8(2), requires the applicant to file a written notice of its election to use electronic filing procedures with the Commission at least seven days prior to the submission of the application. In the instant case, Delta filed its Application to revise its Pipeline Replacement Program rates with the Commission on February 27, 2018 but did not request to utilize electronic filing procedures until April 2, 2018. Therefore, Delta did not provide timely written notice of its election to use electronic filing procedures as required by 807 KAR 5:001, Section 8(2).

Having reviewed Delta's Motion to Utilize Electronic Filing Procedures, the Commission finds that because the case is still in the early stages of the proceedings, and counsel promptly requested electronic filing in conjunction with their entry of appearance, the Motion should be granted.

IT IS THEREFORE ORDERED that:

1. Delta's Motion to Utilize Electronic Filing Procedures for this case is granted.
2. All documents submitted in this proceeding shall comply with the Commission's rules of procedure as set forth in 807 KAR 5:001, and any deviation from these rules shall be submitted in writing to the Commission for consideration.
3. Any party filing a paper shall upload an electronic version using the Commission's electronic Filing System and shall file the original and one copy in paper medium.
4. Any request for confidential treatment of material submitted shall conform to the requirements of 807 KAR 5:001, Section 13.
5. Materials submitted to the Commission that do not comply with the rules of procedure or that do not have an approved deviation are subject to rejection pursuant to 807 KAR 5:001, Section 3.
